Response to After Non-Final Action (non-Responsive Amendment)

Sir:

In response to the Office Communication mailed October 18, 2007 applicant files the following response. Applicant has thus far submitted responses to the following Office Communications that have been issued for Noncompliance:

December 14, 2005: Office Communication of noncompliance

Response to correct defect filed December 20, 2005

February 6, 2006: Status Inquiry Filed

March 30, 2006 : Office Communication of noncompliance

Response filed April 16, 2006

October 26, 2006: Office Communication of noncompliance

Response filed November 2, 2006

May 2, 2007: Status Inquiry Filed

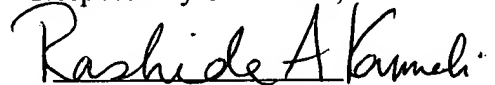

July 25, 2007 : Office Communication of Noncompliance.

Applicant wants to point out that the examining process thus far has been piecemeal and this has resulted in a prolongation of the examining process from December 14, 2005 to now because of frivolous and untimely issuance of Office Communications.

Applicant urges the Examiner to contact applicant's attorney should there be any additional deficiency in the case to avoid prolongation of the prosecution, which has proven to be financially burdensome for applicant for the past six years since the application was submitted.

Applicant is filing this response in response to the latest Office Communication dated 7/25/2007. Applicant submits Substitute sheets for pages 19, 20, 21, 22, and 23. Applicant thanks the Examiner for her assistance and requests that should she find any outstanding issues, she should inform applicant's attorney Rashida Karmali by telephone before issuing yet another Office Action to discuss outstanding issues.
